

To Our Valued Customer,

Thank you for booking your **private tour** with the Kayak Connection. Our tours are done in stable double kayaks to enable us to explore and learn about the marine life and natural history in the protected waters of the Elkhorn Slough.

Our guides will provide your tour with lively background information on the hidden wonders of this enchanting meeting of land and sea.

In order to **expedite** the paper work on the day of your tour, we have included a master copy of our release form (*please make a copy for each participant*) which needs to be brought in on the date of your program before the tour can begin. The release forms need to be read, initialed, signed and filled out completely. If there are children under the age of 18 years old the parent or legal guardian should read the waiver with them, initial, sign and complete the release form for that child.

Weather conditions can change on the water, therefore, we say come prepared for **anything**. For your boating enjoyment we have provided you with a list that we strongly recommend bringing along. *Please copy this letter or pass it around so everyone can come prepared!*

*Dress in layers. Polypropylene, capilene, wool, silk, fleece, and synthetic clothing wick moisture away from skin where it can evaporate without stealing body heat. Please avoid wearing cotton and jeans, this can be cold, and unsafe if wet!*

- *appropriate footwear i.e. watersocks, booties, Tevas, old tennies...*
- *waterproof windbreaker*
- *hat w/visor, sunscreen*
- *sunglasses w/retainer*
- *water & snack*
- *extra set of clothing ( just in case )*
- *camera and/or binoculars ( bring at your own risk )*

**Cancellation Policy: Please check your Private Tour Agreement form for upcoming reservation deadlines.** All tours are subject to cancellation by Kayak Connection. If we call to cancel your tour, you may choose to either reschedule for another day or receive a full refund. If you decide to cancel or postpone your reservation, Kayak Connection requires a full 10 days advance notice. A full 7 days notice is required to reduce your number of paid participants. If you cancel or reschedule or adjust your numbers after your deadlines, your deposit is non-refundable unless you find someone else to fill your space. We hope you have a memorable experience kayaking with us!

Sincerely,  
The Kayak Connection
